Die Impfanforderungen basieren auf den Rückmeldungen unserer Partnerorganisationen. Nicht alle Impfungen sind für die Einreise zwingend erforderlich, können aber für die Schuleinschreibung unverzichtbar sein. Die Erfahrung hat gezeigt, dass das Fehlen von Impfungen mitunter zu Problemen bei der Schuleinschreibung und bei der Gastfamielnsuche führen kann. Dies gilt derzeit insbesondere noch bei COVID-19, daher ist die Impfung in einigen Ländern und bei einigen Partnerorganisationen weiterhin verpflichtend. Die hier aufgelisteten Anforderungen können daher von den eigentlichen Einreisebestimmungen abweichen.
